## Side Events

Three different side events will take place during this OBC.

### 1. Belgian Championships for students

The Belgian Championships for students will take place on Friday 25/4, about noon. Students from the various Belgian universities and colleges gather in the Wezenberg complex. They will compete for the various titles of "Belgian Student Champion". After their own competition, the students also have the opportunity to attend the final session.

### 2. Master Classes

We would like to invite all masters to an Olympic master class. On Saturday 26/4, Kimberly Buys and Francois Heersbrandt will be ready to teach interested parties the tricks of the trade for an hour. After this clinic there is an opportunity to get to know the two Olympians further. After this event, we give you the opportunity to admire and order the Team Belgium Merchandise exclusively at the Arena pop-up shop. Finally, this ticket also gives you the opportunity to attend the final sessions. [Purchase it now!](#)

### 3. Youth Finals

There will be a PROMO final for young swimmers before the start of the finals on both Saturday and Sunday. They will have the opportunity to perform in the beautiful setting of the OBC. During these finals, swimmers with the 8 absolute best times in Belgium (member of a Zwemfed or FFBN club) will participate in the 400m freestyle or 200m

individual medley per age year. Would you like to come and watch this final? [Buy your ticket now via the webshop.](#)

## Partner in the Picture

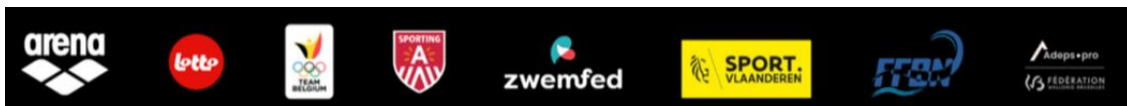

The organization of the Open Belgian Championships would not be possible without the support of several important partners. One of those partners is the City of Antwerp.

The Wezenberg complex is possibly the most beautiful swimming pool complex in Belgium. But the city of Antwerp also contributes. They provide us with support and expertise in communication, logistics, timekeeping and infrastructure. Thank you and looking forward to the future together!
